President W. J. Kerr,
Logan, Utah.

Dear Sir:

Mr. J. D. Gule of the Fisk
Teachers Agency has recommended
that I write to you regarding a
position as instructor in History in
the Utah Agricultural College. Before
making a formal application for
the position I should like to learn
something about the number of
students in the college, the work
of the History department, the size
of the reference library, the cost of

ring in Logan, the salary scale, and
any other facts that would be of
general interest to one thinking of
occupying such a position in
your state.

I shall greatly appreciate this
favor, and thanking you for an
early reply, I am

Yours very truly,

(Miss) Nina T. Updyke.
